

MIRWEC employees the following

Coating Department 5

Film Department 21

Total payroll was \$917,598

We had to shut down one film last year for repairs. Repairs have not been completed and are on hold because of the lack of sales of our high voltage capacitor film.

Coating business is starting to increase and we will be added another person.

MIRWEC is dedicated to Bloomington and it is our hope our business will increase.

We hope the council will consider that the lack of business is the reason we have fewer positions.

MIRWEC is dedicated to Monroe County and hopes to remain here for many years to come.

Please continue with our tax abatements.
